Employment Opportunity-Join the City of Marysville Team

FINANCE DIRECTOR

The progressive and fast-growing **City of Marysville**, Ohio; is seeking a dedicated leader to fill the role of City Finance Director. Come join our highly professional executive team and our extremely stable work environment (City Manager/Council form of government). The primary focus is providing sound leadership to our dedicated Finance Department staff and direct the accounting and financial services for the City. The successful candidate will provide technical support to the City Manager and City Council and also serve as a Deputy City Manager. Duties include the interpretation and application of policies and procedures, developing recommendations regarding financial alternatives, and interpretations of legislated changes; overseeing payroll, accounts payable, income tax collection and utility account management.

Candidates must have a

- Bachelor degree in business administration, finance, or related field, Master's degree and certification in accounting (CPA) is preferred;
- Significant management and/or supervisory experience is required (eight years preferred) with at least three years at the senior management level, and
- prior experience in municipal finance management is a plus.
- Experience with Munis financial software is preferred.

The annual salary is \$90,000-\$120,000 (depending on the successful candidate's qualifications) and an excellent benefits package. Resumes are being accepted until the position is filled.
